If you are looking for **good quality accommodation which is comfortable and cosy**, where you are going to feel completely at home, come and spend some time in our farmhouse house located in the small village of Ujezd near Klatovy. We are only 1 hour and a quarter from Prague, and 40 mins from Plzen or the German border and yet you will feel you are in the middle of nowhere. The village is very peaceful with just an occasional passing bus or tractor. From the back gate you can walk straight into the surrounding fields and woods, and from the front gate you can have a freshly pulled pint of beer in your hands in just a couple of minutes. **The farmhouse offers peace and privacy, extremely comfortable beds, wood burning stove, spacious rooms and very special tranquil atmosphere.**

You can rent either the whole farmhouse complex, the romantic cottage **Sýpka** (2-4 people) or just the **main house** (for up to 17 people). All rooms are ensuite and individual in their decor. The main house boasts a large farmhouse kitchen, an extremely spacious lounge, which also serves as a dining room, and provides a place for potential meetings. It features a large wood burning stove and exceedingly comfortable sofas. The main has 7 bedrooms. The cottage houses a kitchen, a dining corner, a wood burning stove, a bathroom and an open plan bedroom on the first floor.

There is also an **outdoor swimming pool** (4x10m), gardens, an outside sitting area, a BBQ area, table tennis, ball games, and we are planning a sandpit area for children, a sauna, and a hot tub for colder evenings.

The farmhouse can suit many purposes: a family holiday, celebrations, weddings, parties, romantic getaways, and also corporate events and courses.

We can arrange catering and help you book the following: **tennis courts, canoes, horseriding, bikes, quadbikes, pottery courses, English courses, yoga classes, massages etc.**

What is available: accommodation for up to 22 people in stylish and comfortable rooms, 2 fully equipped kitchens, outside pool 10x4m, Wifi, DVD, table tennis, badminton, gas and charcoal BBQs, dishwasher, washing machine, dryer.
